INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying financial statements of Karina Association, Inc. (the "Organization"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
Karina Association, Inc.

In performing our audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

KARINA ASSOCIATION, INC.

Notes to Financial Statements

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Karina Association, Inc. (the "Organization"), was incorporated in March 2009 and is headquartered in Timonium, Maryland. The Organization serves families in Baltimore City and surrounding counties. A vital role of the Organization is building acceptance and inclusion for those who are disabled in a society where most people take inclusion for granted.

Revenues are derived mainly from contributions and grants, as well as payments from the Developmental Disabilities Administration ("DDA") for community learning services.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue Recognition

The Organization recognizes revenue for services in the accounting period it is earned, regardless of when cash is received. Contributions are recognized when cash is received.

The Organization recognizes contract revenue using a process that includes identifying the contract with a customer, identifying the performance obligations in the contract, determining the transaction price, allocating the transaction price to the performance obligations, and recognizing revenue when each performance obligation is satisfied.

The Organization has a contract with DDA to provide community learning services to individuals with intellectual and developmental disabilities. These revenues are recognized at a point in time as services are provided. The transaction price is based on predetermined rates for each individual supported. The Organization tracks clients' daily attendance. Based on the attendance, DDA pays the Organization quarterly for the services provided.

Contributed non-financial assets include contributed rent which is recorded at the fair value of the building usage received. See Note E for additional details.

KARINA ASSOCIATION, INC.

Notes to Financial Statements

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Cash

For purposes of the Statement of Cash Flows, cash includes amounts on deposit at financial institutions.

Contract Assets and Liabilities

Contract liabilities were \$43,927 and \$0 as of June 30, 2022 and 2021, respectively. Accounts receivable from contracts were \$0 and \$1,122 as of June 30, 2022 and 2021, respectively. These contract assets and liabilities relate to win/loss adjustments made by DDA during the first two quarterly payments of the subsequent fiscal year.

Property and Equipment

The Organization generally capitalizes all property and equipment acquisitions with useful lives greater than one year and \$5,000. Property and equipment are recorded at cost, if purchased, or fair value, if contributed. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Certain categories of expenses are attributable to both program and management and general services. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The primary expense that is allocated are salaries, which are allocated based on estimates of time and effort.

Advertising Costs

The Organization's policy is to expense advertising costs as incurred. Advertising costs charged to expenses were \$1,610 for the year ended June 30, 2022.

Income Taxes

The Organization is exempt from federal income taxes under the Internal Revenue Code Section 501(c)(3). However, income from certain activities not directly related to the Organization's tax-exempt purpose, if any, is subject to taxation as unrelated business income. The Organization's tax filings are subject to examination by various taxing authorities. The Organization's tax years of 2020 through 2023 remain subject to examination. There are currently no examinations for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through December 21, 2023, the date the financial statements were available to be issued.

KARINA ASSOCIATION, INC.

Notes to Financial Statements

NOTE B - LIQUIDITY AND AVAILABILITY

The Organization's financial assets available within one year of the Statement of Financial Position date for general expenditures are as follows:

Cash	\$ 359,049
Total	\$ 359,049

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

NOTE C - PAYCHECK PROTECTION PROGRAM LOAN

The Organization received loan proceeds in the amount of \$13,770 under the Paycheck Protection Program ("PPP") on March 11, 2021. The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES ACT"), provides for loans to primarily cover payroll, mortgage interest, rent, and utilities costs incurred during the COVID-19 pandemic. The PPP loan was forgiven in full on January 20, 2022.

NOTE D - SMALL BUSINESS ADMINISTRATION LOAN

The Organization received an Economic Injury Disaster loan in the amount of \$11,500 at an annual rate of 2.75 percent through the Small Business Administration ("SBA") on June 9, 2020. As of June 30, 2022, the balance of the loan was \$10,650. Interest expense was immaterial for the year ended June 30, 2022.

Maturities of this SBA loan are as follows:

<u>Year Ending June 30,</u>	
2023	\$ 600
2024	600
2025	600
2026	600
2027	600
Thereafter	<u>7,650</u>
	<u>\$ 10,650</u>

NOTE E - BUILDING USAGE

The Organization signed a building usage agreement with the Mays Chapel United Methodist Church (the "Church") that spans from April 1, 2022 through March 31, 2025, and allows the Organization the ground floor usage of the Church during weekdays for approximately 6 hours per day for a fee of \$175 per week. Actual rent paid during the year ended June 30, 2022, was \$2,800. Since the Organization was not charged for building usage prior to the signed agreement taking effect, this benefit is recorded as contributed rent and reported accordingly on the Statement of Activities. Total contributed rent was \$6,300, and total rent expense was \$9,100 for the year ended June 30, 2022.

KARINA ASSOCIATION, INC.

Notes to Financial Statements

NOTE F - CONCENTRATIONS

During the year ended June 30, 2022, approximately 75 percent of total revenues were from DDA. Under the terms of the funding agreement, DDA may disallow the use of funds as a result of an audit and require reimbursement for disallowed costs.

The Organization has deposits in a major financial institution in excess of amounts insured by the Federal Deposit Insurance Corporation ("FDIC"). As of June 30, 2022, the Organization had \$109,049 in excess of the amount insured by FDIC. The Organization does not believe that this is a material risk of loss with respect to the aforementioned.

**INDEPENDENT AUDITOR’S REPORT ON
CLIENT ATTENDANCE DAYS AND FEES**

We have examined the Statement of Client Attendance Days and Fees of Karina Association, Inc. (the “Organization”), for the year ended June 30, 2022. These statements are the responsibility of the Organization to manage. Our responsibility is to express a reasonable opinion based on the results of our examination.

Our examination was conducted in accordance with attestation standards by the American Institute of Certified Public Accountants and the regulations of the Maryland Department of Health. It included examining, on a test basis, evidence supporting the Client Attendance Days and Fees, and performing procedures considered necessary based on individual circumstances.

We found, in all material respects, the Client Attendance Days and Fees of the Organization for the year ended June 30, 2022, is in conformity with the regulations of the Maryland Department of Health.

Based on our examination, the Organization provided the following Attendance Days for Community Learning Services.

<u>Provider Payable Days</u>	<u>1st Q</u>	<u>2nd Q</u>	<u>3rd Q</u>	<u>4th Q</u>	<u>Total</u>
Community Learning Services	657	603	597	529	2,386

Based on our examination, the Organization collected \$0 in client fees for cost of care, and \$0 in client fees for room and board costs from residential participants.

This report is intended solely for the information and use of the Maryland Department of Health, which specified the criteria. It should not be used by other persons for any other purpose.
